For this morning's service

To the words: God of seed, God of soil, God of water.
The response is: Open our ears to your call.

Lord, plant our seeds in good ground. Help us to grow in faith so our relationship with you is not shallow and weak, but a deep and mature faith. Grant us a faith that can move mountains of doubt and oceans of fear. Teach us to triumph over temptation. Help us to believe in you, even when we do not understand why the ways of the world seem so cruel. Mould us into the people you would have us be. Through Jesus Christ our Lord and Saviour. Amen.
